

# SAFETY DATA SHEET

| SECTION I: PRODUCT AND COMPANY                 |   |                            |
|--|---|----------------------------|
| Manufacturer: Ver-tech Labs                    | Product Name:   | Triple Shine Plus - Yellow |
| 6801 Bleck Drive                               | Product Code:   | EXT140Y                    |
| Rockford, MN 5537                              |   | Premium Triple Foam Polish |
| I-877-866-9742                                 | Revision Date:  | 4/13/2015                  |
| Chemical Emergency: Infotrac: 1-800-535        | -5053   |                            |
| SECTION 2: HAZARDS IDENTIFICATION              |   |                            |
| GHS Hazard Classification                      |   |                            |
| Skin Corrosion/Irritation                      | Category I  |                            |
| Signal Word                                    | <b>^</b>  |                            |
| DANGER!  | Pau   |                            |
|  |   |                            |
|  |   |                            |
| Hazard Statements                              | Precautionary Statements - Prevention                             |                            |
| Causes severe skin burns and eye damage        | Do not breathe dust/fume/gas/mist/vapors/spray                    | y                          |
|  | Wash thoroughly after handling                                    |                            |
|  | Wear protective gloves/protective clothing/eye                    | protection/face protection |
| Precautionary Statements - Response            |   |                            |
| IF SWALLOWED: Rinse mouth. Do NOT inde         | uce vomiting  |                            |
| IF ON SKIN (or hair): Remove all contaminate   | ed clothing immediately. Rinse skin with water/shower             |                            |
| Wash contaminated clothing before reuse        |   |                            |
| IF INHALED: Remove victim to fresh air and k   | keep at rest in a position comfortable for breathing              |                            |
| Call a POISON CENTER or doctor/physician i     | if you feel unwell  |                            |
| IF IN EYES: Rinse cautiously with water for se | veral minutes. Remove contact lenses if present and easy          | v to do – continue rinsing |
| Precautionary Statements - Storage             | Precautionary Stateme   | ents - Disposal            |
| Store locked up                                | Dispose of contents/container to an approved waste disposal plant |                            |
| SECTION 3: INFORMATION ON HAZARE               | DOUS INGREDIENTS  |                            |
| Product is a mixture according to 29 CFR I     | 910.1200.   |                            |
| Hazardous Components                           |   |                            |
| Hazardous Ingredients                          | Cas #   | Weight %                   |
|  |   | 5                          |

Specific chemical identity and/or exact percentage of components has been withheld in accordance with a trade secret claim according to Appendix E 29 CFR 1910.1200.

| First Aid Measures |  |
|--------------------|--|
| General Advice:    | May cause severe skin burns. Harmful if swallowed.   |
| Eye Contact:       | Immediately flush with cool running water for at least 15 minutes while holding eyelids apart. Do not rub affected area. Remove contact lenses if applicable.  |
| Skin Contact:      | Wash off immediately with soap and water while removing all contaminated clothes and shoes.  |
| Ingestion:         | If swallowed, may cause burning of the mouth, throat and stomach. Call immediately for medical assistance. DO NOT induce vomiting. Rinse mouth with water, then drink I-2 glasses of water. Never give anything by mouth to an unconscious person. |
| Inhalation:        | Remove to fresh air.   |

# Most Important Symptoms and Effects

Symptoms: Causes skin irritation. Symptoms may include redness, drying and cracking of the skin.

# Indication of any immediate medical attention and special treatment needed

| Note to Physician:     | Treat symptomatically.  |   |                    |   |       |
|------------------------|---|---|--------------------|---|-------|
| SECTION 5: FIRE-FIGH   | SECTION 5: FIRE-FIGHTING MEASURES   |   |                    |   |       |
| Flammable Properties   | <u>i</u>  |   |                    |   |       |
| Flammability:          | Not considered  | Not considered to be a fire hazard.             |                    |   |       |
| Explosive Prop:        | Not considered to be an explosive hazard.   |   |                    |   |       |
| Extinguishing Media    |   |   |                    |   |       |
| Suitable:              | Use extinguishi   | ng measures that are appropriate to local o     | ircumstances and   | the surrounding environment.                    |       |
| Unsuitable:            | -   | ter jet as an extinguisher, as this will spread |                    | -   |       |
| Specific Hazards Arisi | ng from Chem  | ical  |                    |   |       |
| Hazards:               | During fire, gas  | es hazardous to health may be formed.           |                    |   |       |
| Protective equipment   | and precautio   | ns for fire-fighters                            |                    |   |       |
|                        | -   | -   | protective equip   | ment and self-contained breathing apparatus (S  | SCBA) |
| 0                      |   | piece operated in positive pressure mode.       | r                  | 6 . F   | ,     |
|                        |   |   |                    |   |       |
| SECTION 6: ACCIDEN     |   |   |                    |   |       |
| Personal Precautions:  | -   |   | leny entry. Stay u | pwind of spill/leak. Use personal protective    |       |
|                        |   | oid contact with skin, eyes or clothing.        |                    |   |       |
|                        |   |   |                    | material from entering streams or sewer system  |       |
| Clean-Up Method:       | -   |   | opriate container  | for disposal. Clean contaminated area thoroug   | ghly  |
|                        | with water. Pre   | event product from entering drains.             |                    |   |       |
| SECTION 7: HANDLIN     | G AND STORA   | GE  |                    |   |       |
| Handling:              | Use personal p  | rotective equipment when needed. Avoid c        | ontact with skin,  | eyes, and clothing. Wash hands before eating,   |       |
|                        | drinking, or sm   | oking. Remove contaminated clothes and w        | ash before reuse   | . Use in a ventilated area.                     |       |
| Storage:               | Store in closed   | containers in cool, dry, well-ventilated area   | 1. Avoid overheat  | ing or freezing. Keep in properly labeled conta | iners |
|                        | and out of read   | h of children.                                  |                    |   |       |
| Incomp. Materials:     | Oxidizing agent   | ·S.   |                    |   |       |
| SECTION 8: EXPOSUR     | E CONTROLS  | AND PERSONAL PROTECTION                         |                    |   |       |
| Exposure Guidelines    |   |   |                    |   |       |
| Hazardous Ch           | emical  | OSHA PEL  |                    | ACGIH TLV                                       |       |
| Proprietary B          | lend  | No information available                        |                    | No information available                        |       |
| A                      | in a Controlo   |   |                    |   |       |
| Appropriate Engineer   | •   | a ventilation especially in confined areas      |                    |   |       |
| Eng. Controis:         | Eng. Controls:Ensure adequate ventilation, especially in confined areas.                      |   |                    |   |       |
| Personal Protection E  | Personal Protection Equipment (PPE)   |   |                    |   |       |
| Eyes:                  |   |   |                    |   |       |
| <b>Respiratory:</b>    | Not usually necessary where ventilation is sufficient to maintain vapors under the TLV limit. |   |                    |   |       |
| Skin:                  | Avoid skin contact. Recommend chemical resistant gloves.                                      |   |                    |   |       |
| SECTION 9: PHYSICAL    | AND CHEMIC  | AL PROPERTIES                                   |                    |   |       |
| Information on basic p | hysical and ch  | emical properties                               |                    |   |       |
| Physical State:        | Liquid  | • •   | ing Point:         | Not determined                                  |       |
| Appearance:            | Yellow Liquid   | Boili   | ng Point:          | Not determined                                  |       |
|                        |   |   |                    |   |       |

Color:

Evaporation Rate:

Not determined

| Odor:             | Odorless                 | Vapor Pressure:          | Not determined |
|-------------------|--------------------------|--------------------------|----------------|
| Odor Threshold:   | No information available | Vapor Density:           | Not determined |
| pH:               | Neutral                  | <b>Relative Density:</b> | Not determined |
| Flash Point:      | Not determined           | Flammability:            | Not determined |
| Water Solubility: | Soluble in water         | Explosive Limits:        | Not determined |
| Viscosity:        | Not determined           | Part. Coefficient:       | Not determined |
| Specific Gravity: | 0.995 - 1.000            | Auto-ignition Temp:      | Not determined |
| Melting Point:    | Not determined           | Decomp. Temp:            | Not determined |

# SECTION 10: STABILITY AND REACTIVITY

| Stability:           | Stable under ordinary conditions of use and storage.                                |  |
|----------------------|---|--|
| Haz. Decomposition:  | Thermal decomposition can lead to release of irritating and toxic gases and vapors. |  |
| Haz. Polymerization: | No information available.   |  |
| Incompatibilities:   | Oxidizing agents.   |  |
| Conditions to Avoid: | Heat, moisture and incompatibles.   |  |

#### SECTION II: TOXICOLOGY INFORMATION

| Component Information |                          |                          |
|-----------------------|--------------------------|--------------------------|
| Hazardous Chemical    | LD50 Oral                | LD50 Dermal              |
| Proprietary Blend     | No information available | No information available |

#### Potential Health Effects

Exposure Routes: Eye Contact, Dermal Contact, Ingestion, Inhalation

#### **Acute Toxicity:**

| Eyes:                   | Causes eye irritation with tearing, redness, and impaired vision.   |
|-------------------------|---|
| Skin:                   | Causes skin irritation, redness, and itching. May cause chemical burns.   |
| Ingestion:              | Harmful if swallowed. Corrosive to mucous membranes, esophagus and stomach.   |
| Inhalation:             | Respiratory irritant.   |
| Chronic Effects:        | Avoid repeated exposure. May aggravate pre-existing medical conditions including eye, skin and respiratory disorders. |
| <b>Carcinogenicity:</b> | Not listed as carcinogen by OSHA, NTP or IARC.  |

# SECTION 12: ECOLOGICAL INFORMATION

| Ecotoxicity        |                          |                           |
|--------------------|--------------------------|---------------------------|
| Hazardous Chemical | Toxicity to Fish         | Toxicity to Invertebrates |
| Proprietary Blend  | No information available | No information available  |

#### **Environmental Toxicity**

| <b>Biodegradation:</b>  | No information available. |
|-------------------------|---------------------------|
| Persistence:            | No information available. |
| <b>Bioaccumulation:</b> | No information available. |
| Mobility:               | No information available. |

# SECTION 13: DISPOSAL CONSIDERATIONS

| Waste Disposal: | Recover or recycle if possible. Disposal should be in compliance with applicable federal, state, and local regulations. Do not |
|-----------------|--|
|                 | dispose of in the environment, in sewage, and/or in drains.  |

Drain contaminated container thoroughly. Do not reuse container.

#### Container:

\_\_\_\_\_

# SECTION 14: TRANSPORT INFORMATION

Transport in accordance with all federal, state, and local regulations.

#### DOT

Proper Name: NA

Hazard Class:NAUN Number:NAPacking Group:NASpecial Provisions:Not regulated as a dangerous good.

# SECTION 15: REGULATORY INFORMATION

#### **US Federal Regulations**

**TSCA Status:** All components of this product are listed or exempt from listing on TSCA inventory.

#### CERCLA Reportable Quantity: None

# U.S. State Right-to-Know Regulations

| Hazardous Chemical<br>None      |    | California Proposition 65 |
